

Zahraniční možnosti vzdělávání (nejen) pro mladé onkology

Simona Bořilová

Setkání Klubu mladých onkologů 2021

ESO activities

Basic Oncology

- ▶ 80-100 selected oncologists (MedOnc, RadOnc, SurgOnc) in training
 - Candidates should be either in last year of basic residency i.e. internal medicine, general surgery etc or first year of oncology residency.
- ▶ The course aims
 - to provide orientation to the guiding principles of multidisciplinary oncological management and life as a modern oncologist
 - to bridge the gap in education between courses for students and ESO's Masterclasses

College of the European
School of Oncology

18
ESCO
credits

Day 1: Thursday	
13:00	Registration
13:45	Welcome address and general introduction
14:00	Principles of cancer etiology and epidemiology
14:30	The hallmarks of cancer: Perspectives for cancer medicine
15:00	Principles of cancer genetics
15:30	Coffee break
16:00	Principles of staging systems
16:30	Basic principles of radiology in cancer assesment
17:00	Basic cancer pathology

Day 2: Friday	
08:30	The validity of serum tumor markers in oncology
09:00	Biomarkers in oncology: Towards precision medicine
09:30	Principles of patient assessment
10:00	Principles of surgical oncology
10:30	Coffee break
11:00	Principles of radiotherapy: Basic physics and radiobiology
11:30	Principles of radiotherapy: Techniques, side effects and planning
12:00	Principles of systemic therapy (chemotherapy/hormonal therapy)
12:30	Practicalities of chemotherapy prescribing
13:00	Lunch
14:00	Management of systemic therapy toxicity
14:30	Principles of targeted therapies and immunotherapy
15:00	Management of targeted and immunotherapy toxicity
15:30	Coffee break
16:00	Clinical case presentation and discussion [4 Cases prepared by the Tutors with questions/20' each)
	Pathology
	Immunotherapy or toxicity-related case
	Radiotherapy or toxicity-related case
	Chemotherapy or toxicity-related case
20:00	Dinner

Day 3: Saturday	
08:30	Multidisciplinary care and tumor boards
09:00	Cancer in the elderly
09:30	Oncological emergencies
10:00	Infections in cancer patients
10:30	Coffee break
11:00	Paraneoplastic syndromes
11:30	Survivorship issues in cancer patients
11:30	Survivorship issues in cancer patients
12:00	Principles of supportive care in cancer patients
12:30	Principles of palliative care in cancer patients
13:00	Lunch
14:00	Principles of communication with the cancer patient
14:30	Introduction to clinical trials
15:00	Critical appraisal of papers
15:30	Coffee break
16:00	Clinical case presentation and discussion (4 cases prepared by the Tutors with questions/20' each)
	Case with infection
	Case with paraneoplastic syndrome
	An emergency case
	A palliative care case
20:00	Dinner

Day 4: Sunday	
08:30	Mentorship in oncology
09:00	Career planning and opportunities
10:00	Round table discussion
10:30	Coffee break
11:00	Self assessment test
12:00	Why to become an Oncologist?
12:30	Closing remarks and awards
13:00	Departures

Masterclasses

- ▶ The masterclass is
 - Clinically-oriented
 - Multidisciplinary
- ▶ Opportunity for selected participants to present a clinical case and comment it with top experts on tumour board basis
- ▶ An international faculty of top experts delivering lectures focusing on lung, genitourinary, breast, head-and-neck, gastrointestinal and gynaecological cancers.
- ▶ Target
 - selected medical, clinical and radiation oncologists during oncology residency
- ▶ Types
 - ESO ESMO Masterclass in Clinical Oncology
 - ESO-ESMO Eastern Europe and Balkan Region Masterclass in Medical Oncology
 - ESGO-ENYGO-ESO Masterclass in Gynaecological Oncology

30 ESCO
credits

Refresher Courses

- ▶ 2 days course
- ▶ Provide an update on the state-of-the-art therapeutic options in the field of a specific type of cancer
- ▶ Types
 - **Refresher Course on Gastro-intestinal Cancer**
 - **Refresher course on Breast cancer**
 - ❑ 23-25 September 2021, Bratislava, Slovakia
 - **Refresher course on Lung cancer**
 - ❑ **APPLICATION DEADLINE: 21st January 2022**
 - ❑ 22-24 April 2022, Vodice, Croatia

**9 ESCO
credits**

Clinical Training Centres Fellowship Programme (CTC)

- ▶ The CTC programme offers fellowship placements in many different oncology departments at a centre of excellence in Europe
- ▶ Applicants can choose from
 - Visiting residency status
 - Visiting observership status
- ▶ Duration
 - 3 - 6 month placement
- ▶ Grant
 - ESO refunds travel costs and a grant of: EUR 2.000 per month

**120 or 240
ESCO
credits**

CTC Programme

15 centres offering placements to: Medical/Clinical Oncologists, Surgical Oncologists, Radiation Oncologists, Hematologists, Radiotherapists, Pathologists, Gynecological Oncologists

7 centres offering placements to: Pediatric Oncologists and Haematologists

CTC Programme

▶ Criteria

- specialised within the last five years or will complete specialisation by the start of the fellowship period;
- Doctors from the following areas: Europe, Mediterranean countries, Eurasia and Latin America
- Doctors who have taken part in at least 1 ESO event (conference, course, masterclass, etc) or at least 5 e-ESO sessions (www.e-eso.net)

- ▶ **Applications for 2022 now open**
Deadline to apply = 4 October 2021

College of the European
School of Oncology

PRIORITY
SELECTION

Certificates of Competence /Advanced Studies

- ▶ Advancing knowledge and science in the management of Lymphoma, Breast, Lung and GI cancer
- ▶ Types
 - Certificate of Competence in Lymphoma
 - next in 2023
 - Certificate of Competence in Breast Cancer
 - next in 2023
 - Certificate of Advanced Studies in Lung Cancer
 - next in 2023
 - Certificate of Advanced Studies in Gastrointestinal cancer
 - open now - deadline 14 DECEMBER 2021
- ▶ 2 years programme, 25 participants
- ▶ 6 online modules + 3 attendance seminars

400 ESCO credits

Leadership and Improving cancer outcomes course

- ▶ Target
 - Mid- career oncology professionals who have finished training and have a stable position
- ▶ Format
 - 5 online pre-event session
 - 3 day face-to-face event (7-9 July 2022, Warsaw, Poland)
- ▶ Programme
 - Leadership Skills
 - Presentation and Influencing Skills
 - Interactions with Industry
 - Organisational Structures and Functions
 - Planning, Performing and Delivering Research
 - Advocacy Training
 - Lifelong Learning and Long Term Strategic Approaches
 - Measuring the Quality of Care and Demonstrating Improvements

Open to
ESCO
Graduates

E-ESO - Your FREE online education just a click away

e-Sessions

- 45-minute online sessions on different topics related to oncology
- CME accredited
- Live webcasts (you can interact with speakers)

College of the European
School of Oncology

10 e-Sessions
= 1 ESCO
credit

Pathways

- A series of e-sessions (minimum 6 per Pathway) organized by topic
- Give an overview on different topics related to oncology

College of the European
School of Oncology

1 Pathway =
2 ESCO credits

E-ESO - Your FREE online education just a click away

Online courses

- Free registration
- Mixture of live or recorded sessions
- Many available courses
- Next online courses:
 - Breast cancer in the Elderly (Oct 2021)
 - ESO-ESP Digital Pathology Seminar (Dec 2021)

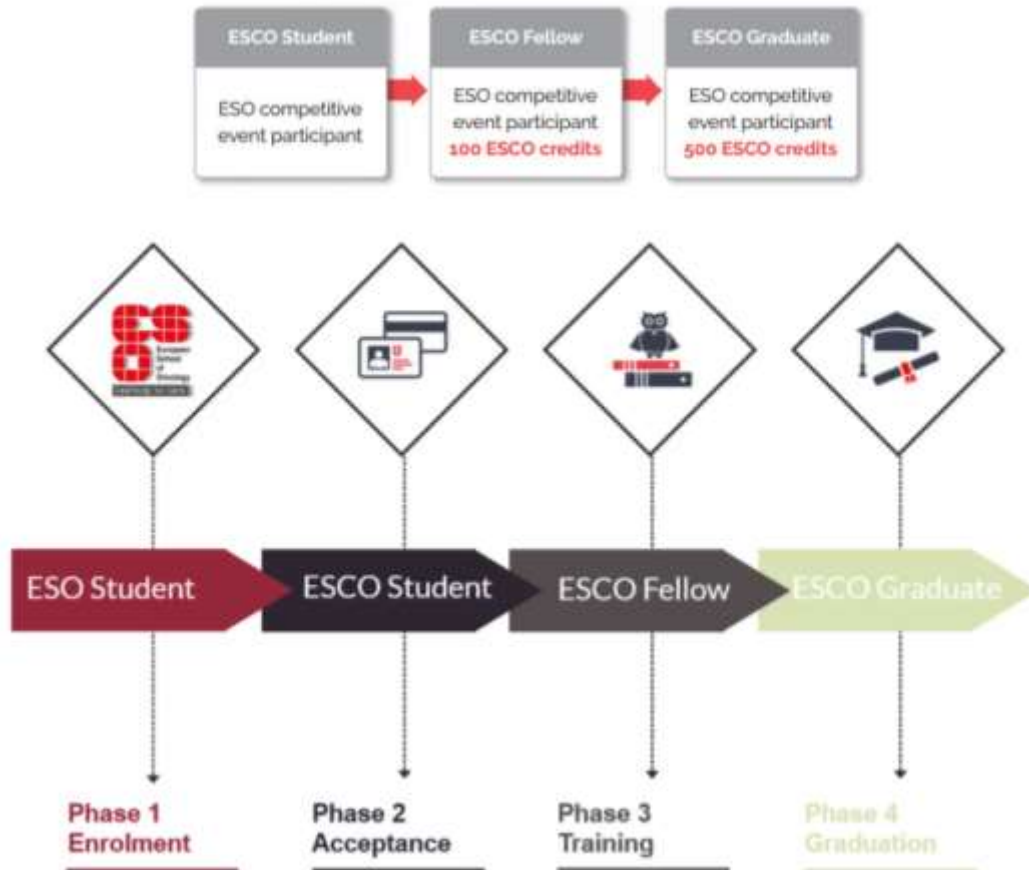

Podcasts

- 15 minutes lectures on different topics related to oncology
- Available on
 - Spotify 
 - Google Podcast 
 - and on the main podcast platforms

ESCO - College of the European School of Oncology

ESCO pathway

How to earn credits

- ESO activities
 - masterclasses
 - refresher courses
 - CTC
 - Certificates of Competence
- e-ESO
 - online courses, pathways
- ESMO exam
- Publishing abstracts, articles studies ...

ESCO - benefits

- ESCO covers the tuition fees for one Fellow or Graduate in each Certificate cohort
- ESCO Members will be given priority selection for fellowship placements
- ESCO Graduates can request a Further Education Grant
- ESCO members & Faculty will be able to access all Elsevier journals available in the Health and Life Science section

- Career advice via **Mentorship programme (Graduates and Fellow)**
 - Mentors and Mentees are paired together for a year
 - ESCO mentors: Fatima Cardoso, Paolo Casali, Andrés Cervantes, Nadia Harbeck ...
 - The deadline to apply for a Mentorships in 2022 is **31 October 2021**
